## Paddle in Tiveden

Slide into the silence. Experience the magical forest from a canoe or a kayak. Spend a warm summer evening canoeing or why not go on a tough paddling during the winter.

In Tiveden there are many opportunities. Bring your own canoe or rent one. Buy a package tour, a guided tour, go on a one day trip or several days with accomodation - you choose what suits you the best.

## Safety tips

- 1. Check the weather forecast before you start.
- 2. Always use a life jacket.
- 3. Paddle along the shores. It's safer and there is more to see.
- 4. Stay with the group if you are many paddling together.
- 5. Have drinks and extra clothes easy accessible in the canoe/kayak.
- 6. Bring dry clothes.
- 7. Keep your mobile phones in a dry and safe place.

## The Right of Public Access.

"Don't disturb - don't destroy"

Show respect for the animals in the nature.

Don't cause damage to the ground or disturb other poeple.

You are allowed to camp one day without the land owners permission.

Scan the QR-code to read more about the Right of Public Access

Use the dry toilets you can find along the trail or dig and

It's forbidden to light fires on rocks or when there's a risk of a fire spreading.

Please use the fireplaces along the canoe trail and make sure to put out the fire completely before leaving.

Bring your garbage home with you or throw it in the trash bins along the canoe trail.
